News from the Bank

Welcome

PREPARING FOR SUMMER

CFA Spring offers a great opportunity to be out cleaning up your property before summer. Prepare now before restrictions come in but please don't burn on windy days. When you do burn, ensure you register your burn and don't leave it unattended.

Bass Coast Council offers fee-free green waste disposal period will start on 1 November and run for six weeks until 16 December 2018, and provides the perfect opportunity to clean up prior to summer and the fire season. During the period, you can dispose of domestic quantities of green waste at the Grantville, Wonthaggi and Inverloch Transfer Stations, and Cowes Recycling Bank. Weeds and plants that cannot be mulched such as Blackberry, English Ivy, Agapanthus, Mirror Bush and palm fronds are not accepted free of charge however these can go in your kerbside Organics (green lid) bin. Check out www.basscoast.vic.gov.au/waste for more information.

Neighbours: Remember in Wattle Bank we have a great community that offers help to each other, so if you are away from home on total fire ban days neighbour can be on stand by to help with pets and stock in case of bush fire. Don't be shy to ask for help.

WATTLE DAY

Wattle Day held on September the 9th proved to be a great community day to welcome spring in wattle Bank, Residents got a chance to chat and get to know each other while enjoying the hospitality of Harman Wines, We are so lucky to have such a beautiful venue with delicious food and wine on our doorstep. Looking forward to a repeat event next year.

Garden tip

Aphid Spray

1 rhubarb leaf, cut into pieces
2 cloves of garlic peeled and cut up in slices
Combine with 2 litres of warm water
Cover with glad wrap for 3 hrs.
Strain and keep the liquid only.
Use your new spray at 40ml to 1 litre of water cold.
Lasts for up to 2 months

Need to use up excess Lemons.....

How about

LEMON CURD

Ingredients

3 egg yolks
2 1/2 Tbsp caster sugar
2 tsp lemon zest (finely grated)
50ml lemon juice
25gms salted butter chopped

Method: Whisk yolks and sugar in a small saucepan until pale. Place over a low heat, add lemon zest, juice and butter and whisk until frothy. Stir continuously for 5 minutes or until curd coats the back of a spoon. Transfer to a sterilised jar and keep in the fridge for 4 weeks
